

PRESENTING THE 3RD ANNUAL

WHEN:

Saturday, April 30, 2022
Race Starts at 9:00 AM

WHERE:

Harris Lake County Park
New Hill, NC

The NV Foundation is hosting its third annual Smile More 5K race, part of the Triangle Race Series. All proceeds will be donated to financially help individuals battling cancer. The race will be held on April 30, 2022, at the scenic Harris Lake County Park in New Hill, NC. The event has a 500 participant maximum, so get registered today!

The course is an out and back lollipop loop on the peninsula trail, much of which borders the Harris Lake reservoir. 90% of the run is off-road trail and the course will be well-marked, with a cyclist leading the pack. Runners of all skill-levels are welcome, as participants range from college track athletes to families walking. Strollers and pets on leashes are welcome to join at the back of the starting group. Keep in mind that the course is off road and certain types of strollers may not be suitable.

Age group awards will be given out after the race, along with free food and refreshments. Precision Race Events will be the official timer, using their state-of-the-art Jaguar timing system. We hope to see you there!

\$35 Entry Fee
Register by April 20
to get a sweet t-shirt
